

Itch.io seems to be a very fun user-friendly platform it was very easy to navigate the different games as well as upload my own if I wanted to. I took some time to play some of the games that were published on the site and a lot of them were very fun to play. This platform reminds me of a more advanced Y8.com, and Y8 is a platform where you just go and play as many games as you want. I say itch.io is a more advanced version because you can d
